Activities

This is the story of Patrick Henry High School in the school year of 1957-1958—the year made famous by the launching of the first man-made satellite and the chemise dress.

The year also culminated in a great deal of attention on the part of public and press on the problems of American schools and their students. This Book isn't a panacea of educational problems, but rather the picture story of how one school worked, studied, and played—it is the story of Henry High in 1958.

The two seniors who attained the highest scholastic standing in a class of 274 students throughout their years at Henry High School received the honors of valedictorian and salutatorian.

This year a group of seniors were also chosen for various awards and scholarships. These seniors were those who consistently contributed their services and cooperation to the school—often much more than was expected.

Assistant Coach G. Wemeier, Head Coach F. Cleve and Assistant Coach D. Swanson plan strategy for the coming game.

Tri-captains B. Kline, G. Lhotka, and J. Gronholm display their specialties during a practice session.

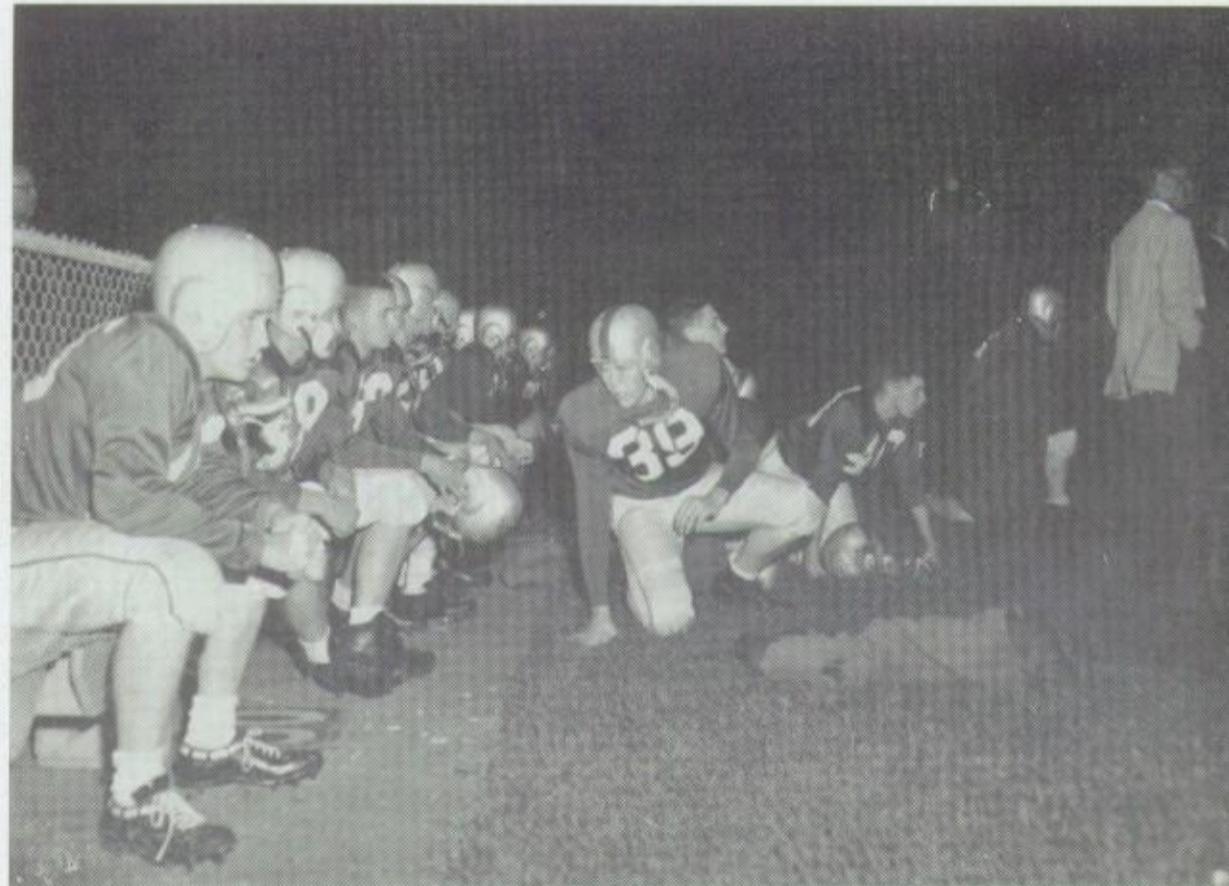

Henry..... 20 Edison..... 6

Edison was Henry's second victim and the Pats made tough work of a 20 to 6 victory over the Tommies. Edison scored after a few minutes were lapsed in the game. Henry countered with two touchdowns scored by Jerry Vice and one by John Kallestad as he ran an intercepted pass back 91 yards behind some good blocking by end Don Andrle. Vice's touchdowns came on short plunges and his line smashes throughout the game were Henry's main weapon.

Henry..... 12 Southwest..... 0

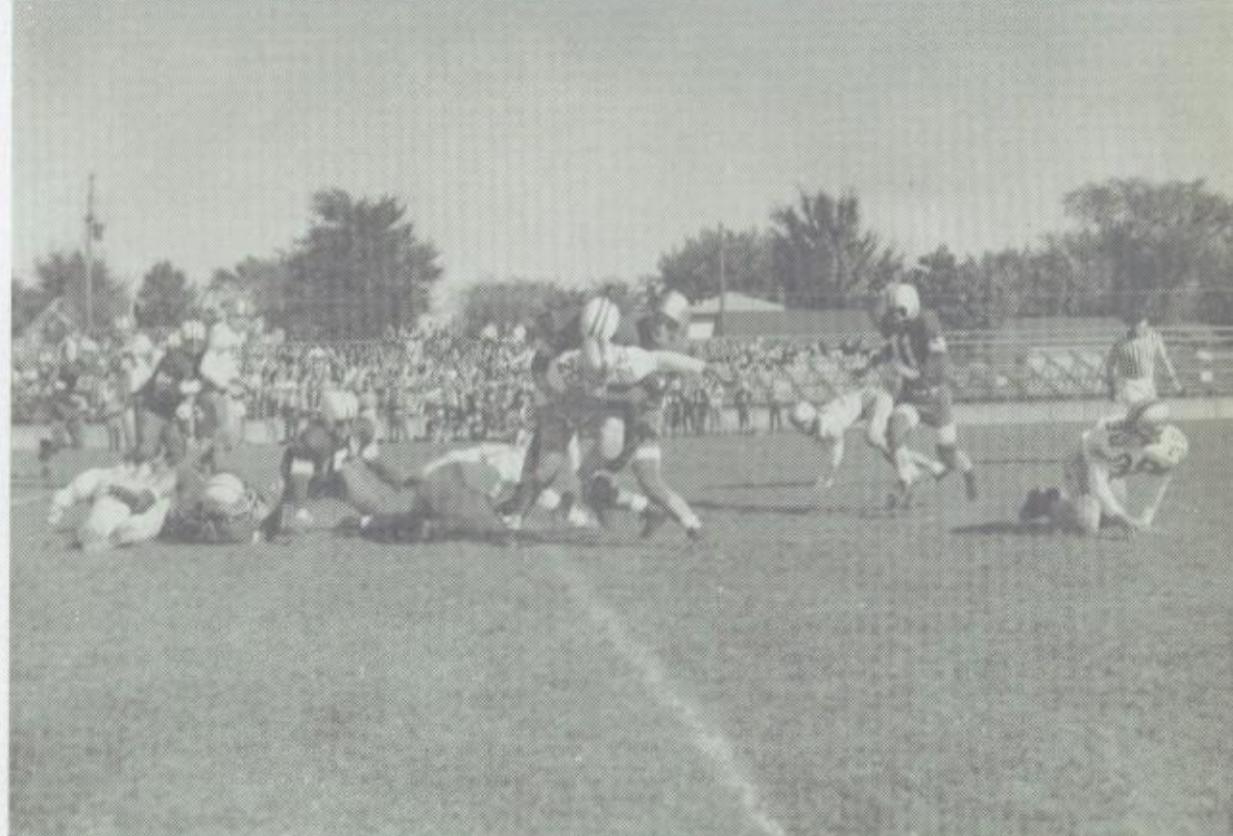

Henry opened the 1957 football campaign by defeating a stubborn Southwest team 12 to 0. The contest, which was played at Porter Field, was hard fought and was an even duel until fullback Jerry Vice broke into the end zone from the one yard line with only four minutes remaining in the game. Southwest, in an attempt to get back into the game, took to the air, but End Gene Lhotka picked off a screen pass and returned it to the Southwest nine yard line. John Kallestad scored on the next play to clinch the victory for the Pats.

Henry..... 20 West..... 6

Henry convicted the Cowboys of West 20 to 6 in the Homecoming game. Leading 6 to 0 at halftime on John Kallestad's 55 yard touchdown run, as a result of a West fumble, Henry came right back in the second half and with good blocking, was able to get Kallestad off on an 87 yard scoring burst to boost the Patriot margin to 13 to 0.

The Cowboys threatened to score throughout the game and dominated play for most of the game, gaining 14 first downs to Henry's 3. With West on the Pat's 27 yard line and in a fine position to score, linebacker Warren Carlson picked off a short flat pass and rambled 73 yards down the side line unmolested.

Henry.....19 Marshall.....0

Henry beat Marshall 19 to 0 for its fourth straight victory. The Pats were aided by 11 Marshall fumbles, nine of which were recovered by the Patriots. John Kallestad scored two of Henry's touchdowns, one on a 70 yard off-tackle sprint and the other on a pass from full-back Jerry Vice. Vice scored the other touchdown on a short plunge in the second period. Ed Reinert, Pat Himmeler, and Jerry Stacy played outstanding defensive football. Their hard tackles were the cause of many of the Marshall fumbles.

Henry.....7 Washburn .. 14

Henry played its best game of the year when the team met Washburn at the Parade Stadium, but nevertheless came out on the short end of a 14 to 7 score. Mel Jacobsen scored Henry's touchdown when he picked up a loose ball after one of his mates blocked a Washburn punt. The Pats failed to capitalize on scoring opportunities in the third quarter, each time by fumbles recovered by Washburn gridders. The Henry defensive line led by W. Carlson, V. Clipper, J. Stacy, and M. Jacobsen played brilliantly throughout the whole game.

Henry.....12 Roosevelt .. 26

Henry went into its game with Roosevelt owning a 4 and 1 record and a share of second place in the City standings with the Teddies and Washburn. The Teds used both passing and running plays, mixed well, to defeat the Pats 26 to 12 on a muddy field at the Parade Stadium. John Kallestad scored both of Henry's touchdowns and was the only bright spot in the Henry attack all evening. The touchdowns were his seventh and eighth of the year.

Hampered by a flu epidemic and bad weather, the Patriots were unable to hold a practice session for a week prior to the game.

Henry..... 0 Central 13

Central dropped Henry into fifth place when the Pioneers defeated the Pats 13 to 0 in the final game of the year, which was played at Porter Field. Henry had a hard time moving the ball against the inspired Central team which had won only one game previous to this. Quarterback Joe Jennings and fullback Jerry Vice were the only effective weapons that Henry could throw against Central, but it wasn't enough.

Prospects for next year look good with Coach Cleve using six sophomores—K. Krez, B. Gerdts, M. Shobin, R. Lucht, J. Young, and R. Kormanik—in the Central game.

Junior Varsity

Henry's Jr. Varsity, coached by Mr. George Wemeier, finished out its season by defeating our rival, North, by the score of 42 to 0. The team's record was a respectable two wins, one tie, and one loss.

Starting in the line for Henry were F. Conrad, D. Lobash, E. Kolinski, D. Jones, S. Frazier, D. Hulleman, and D. Norton. The starting backfield were G. Hoerschgen, J. Stock, J. Decowski, and L. Ferguson. This unit and the able reserves handed defeats to North and Central, tied West, and lost to Edison.

Standouts for the season are W. Carlson, M. Jacobsen, J. Kallestad and V. Clipper.

Outstanding linemen M. Jacobsen, J. Stacy and J. Halvorson are shown with Line Coach D. Swanson.

Pat Gridders Receive Honors

Henry placed two members of its fifth place football team on the Minneapolis Star and Tribune All-City Squad. Junior halfback John Kallestad, who was voted "Most Valuable" by his mates, and senior end Warren Carlson were the recipients of the high honor. Kallestad scored eight touchdowns and three extra points to lead Henry in scoring, while Carlson was the mainstay of the Henry line.

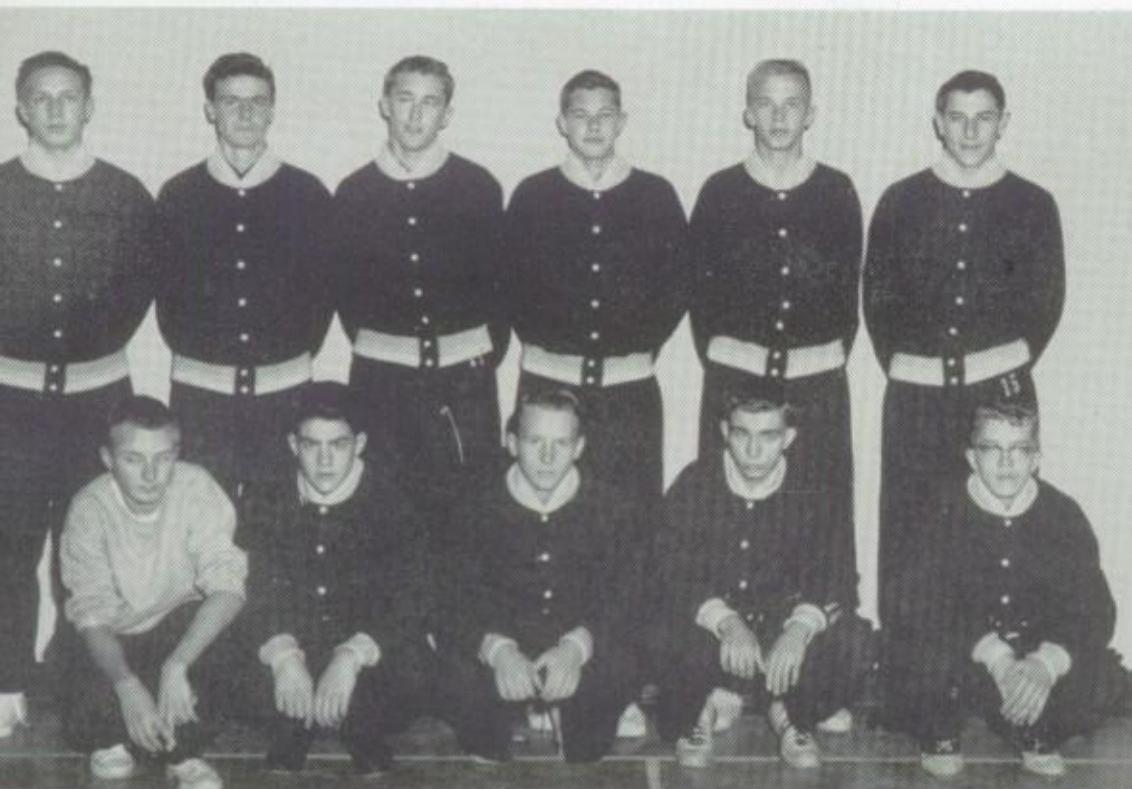

Mel Jacobsen and Van Clipper received "Lineman of the Week Awards" for their outstanding play in the City prep competition. Jacobsen won his honors by being a standout on defense in Henry's first game of the year with Southwest. Clipper earned the award for his play in Henry's 14 to 7 loss to Washburn.

Sophomore Grid Warriors Win 3, Lose 1

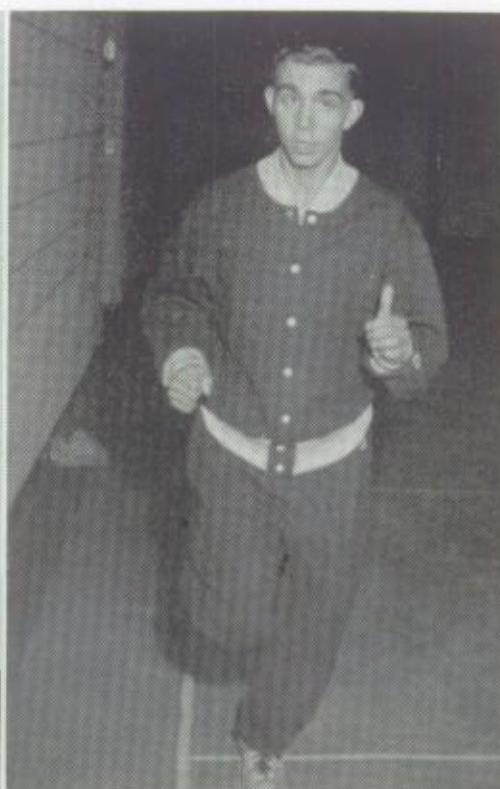

The 1957 edition of the sophomore football team under the direction of coaches F. Valley and J. Rock compiled a respectable record by winning three games and losing only one. The sophs beat Central 26 to 0, North 28 to 0, and West 27 to 0, while they lost to a strong Edison team 20 to 13.

Harriers Rank 7th In City

The Henry cross-country team under Coach B. Johnson's able direction finished their season by placing seventh in the City meet. The team was led by Captain Randy Lobash who finished first for the Pats in every meet. Other outstanding runners were Dave Hecker, Willie Rogers and John Ganzer. Prospects for next year are good with seven lettermen returning.

Tankers Take Six Places In City

The swimming team, coached by Mr. B. Parks, finished their season with a five wins and five losses mark.

One of the outstanding performers was senior Warren Carlson. Carlson was undefeated in diving competition all year.

At the City Meet, the Pats proved themselves by qualifying six men. In the diving, W. Carlson took second, with D. Quady right behind, taking fifth place. G. Selinsky and K. Kohagen won fifth and sixth places, respectively, in the 50 yard free style. Selinsky also placed sixth in the individual medley. B. Okerstrom placed fifth in the 100 yard backstroke event.

Rebounding Was Cagers Bright Spot

Henry's basketball team under the direction of Coach Fritz Engel finished the season by placing sixth in the city, winning five out of its ten conference games.

The starting lineup consisted of seniors Gene Hart, Bob Kline and Bud McLaughlin and juniors Jack Harrison and Neil Christoffherson. Harrison and Christoffherson, along with reserves Rick Olson, Gary Haley, Chuck Tackaberry and Gar Hoerschgen will be back to form the nucleus of what should be a strong team next year.

Bud McLaughlin and Neil Christoffherson are shown battling for a rebound in the picture at the right. This kind of rebounding was typical of the team all year and was a major factor in the improvement the team showed throughout the season. The action took place in the first game of the year against Roosevelt when the mighty Teds beat the Pats 50 to 38.

Sophomores Develop Basketball Prowess

The sophomore basketball squad completed the season with an overall record of four wins and twelve losses with Coach Robert Littlefield at the helm. The starting line-up consisted of: B. Ohland, D. Wyszynski, L. Carlson, G. Hatton, and B. Gerdts. These players should add considerably to the varsity squad of next year.

Skiers Hampered By Season's Light Snow

Coach Floyd Amundson and his ski team were unable to complete their schedule of meets because of the light snow this winter. The team was able to place fifth in the City Meet and they competed in one other meet with West which they won. Two members of the team placed in the State Ski Meet. Dean Keller placed 14th in cross country and Dick Swanson ranked 17th in jumping.

Ski Team: Left to right—Coach F. Amundson, J. Ruffenach, B. Carlson, D. Keller, D. Swanson, L. Brandberg, B. Duncan, D. Bateman.

The apparatus season was climaxed when two of its members, Warren Carlson and Darryl Thayer, took two firsts in the State Gymnastic Meet. Warren Carlson took his first in "B" Class on the trampoline and Darryl Thayer, a junior, gained first place in "C" Class for his outstanding performance on the mats.

Henry placed fourth in "D" Class and ninth in "B" Class at the Northwest Invitational Meet. At the City Meet, Henry won a fourth spot once again. Region V competition placed Henry in sixth position.

Although the team's record was not impressive, 1 win and 5 losses, the season can be counted a success.

"D" Class—Row 1: R. Hennings, D. Keran, P. Chermak, E. Pawloski, L. Fitzsimmons, B. Philstrom. Row 2: G. Hammerlund, B. Kasparik, J. Townsend, D. Swigart, D. Quady, L. Thompson, W. Bennett. Camera Shy: W. Ersbo.

Hockey Team Upholds Winning Tradition

A preview of the fine season turned in by the hockey team was shown by the team on their annual northern trip. In the first game, the Pats outscored Hibbing 6 to 2, but the '57 State Champion, International Falls, blanked the team 5 to 0.

The Patriots wound up in a tie with Southwest for second place in the city standing. The team went on to emerge victorious in the city play-offs, only to lose to St. Paul Harding in the Region I finals.

Coach Harold Younghans has again guided the Henry pucksters through another successful season. During his seven years at Henry, only once have the hockey teams under his guidance missed the city play-offs. This record illustrates his coaching prowess.

Coach "Hal" Younghans gives Capt. G. Gaulke some good pointers on shooting.

Signs of promise for next year are in evidence with goalie J. Decowski, defenseman J. Lindquist, and the line of T. Dehne, T. Skavnak, and L. Whittlef returning. Jim Decowski was nominated to the second team All-City at the end of the season. J. Decowski, along with Captain G. Gaulke were the backbone of the defense for the team this year.

DEFENSEMEN: Kneeling are senior stalwarts G. Gaulke and T. Schell. Standing are juniors P. Hart, M. Jacobsen, and J. Lindquist.

Ron Andrle led the team in scoring this year with a total of nine goals and three assists. Ron was closely followed by Tom Dehne, with nine goals and two assists, and Tom Skavnak with six goals and five assists. The most crucial goal of the season, which won the West game two to one, was scored by Ron Andrle with a fraction of a second remaining in the contest. Dehne and Skavnak are juniors and will be returning next year.

Junior Tom Skavnak gets off a shot against the St. Paul Harding defense in the Region I finals. Harding won the game by the score of five to two.

Sophomore Pucksters Place Second

The sophomore hockey team, coached by Mr. Robert O'Neill, completed a top-notch season this year winning a total of seven games, tying one, and lost only to Roosevelt, who captured the City Sophomore Title. The team climaxed its season by shutting out Washburn and thereby gained second place in the league standings. Led by high-scoring Don Lane, the team earned fifty-seven goals to the opposition's fifteen as well as gaining four shut-out games. Don and defenseman Jack Hansen will be welcome additions to next year's varsity hopefuls.

Matmen Place Four in District 17 Meet

This year's wrestling team finished the season with a respectable showing although the team was generally lacking in experience.

Co-captain Jack Llarinas captured the City and District 17 titles before being defeated in Region 5 competition. Lynn Ferguson and Van Clipper gained second place in the city in their weight divisions. The team should be strong next year with these matmen returning and only this year's co-captains, M. Kuehnel and J. Llarinas, will be missing from the starting line-up.

Mr. Don Swanson has proved to be a fine wrestling coach and the grapplers are looking forward to next year's season under his watchful guidance.

Coach Don Swanson gives Co-captain Jack Llarinas some sound advice on wrestling strategy during a practice session.

"It Happens Every Spring" . . . Baseball

The varsity baseball team, composed primarily of juniors, started out fast this year by winning four straight practice games. The squad won victories over Mechanic Arts of St. Paul, Minnehaha Academy, Benilde and De La Salle. Leading Henry in these early season triumphs were T. Edstrom and H. Harrison, hitting stars and J. Thunstrom, who was the pitching stalwart in these games.

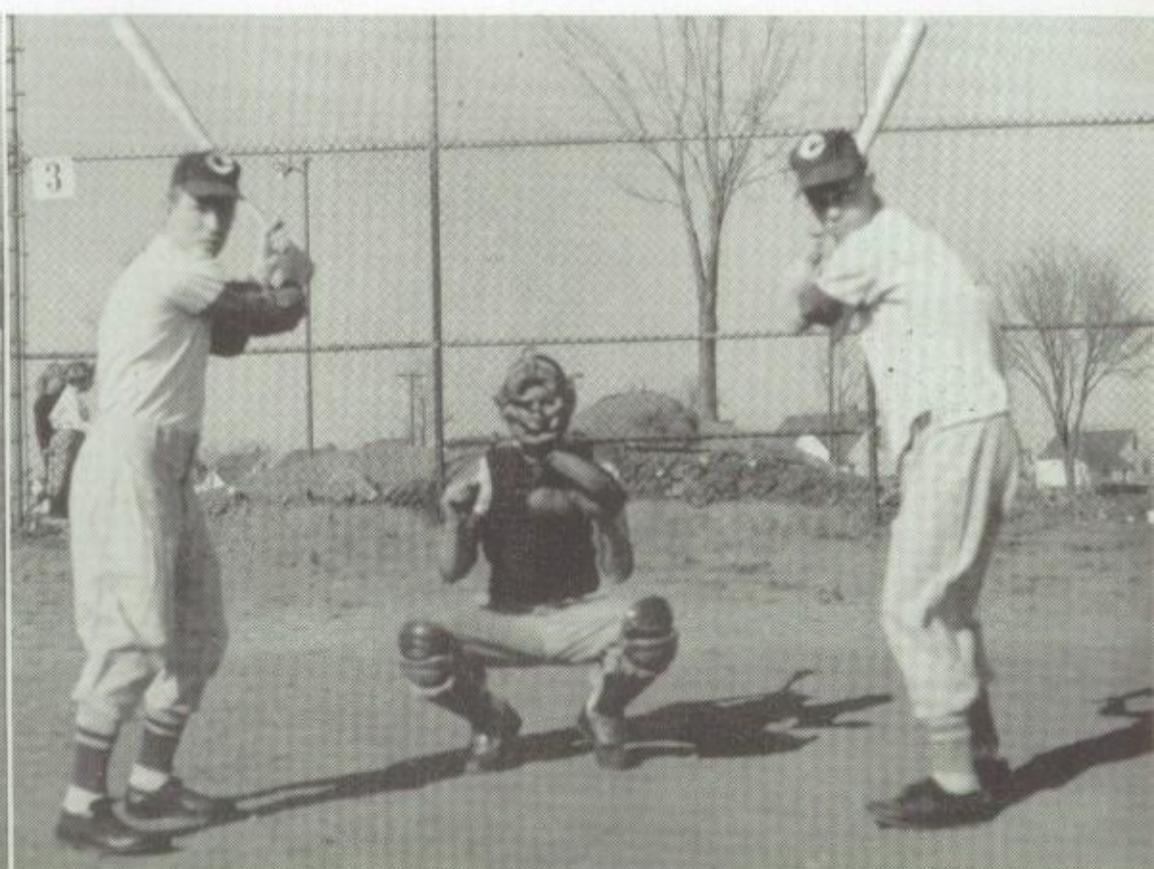

With these games as a preview, the team should do well in the conference this year.

Sophomores Groom for Places On "A" Squad

The Sophomore squad under the direction of Coach M. Johnson is thirty-five members strong and should provide Coach Younghans of the varsity with strong material for the future.

The Sophomores play, as do the varsity, in the Northern Division with Edison, North, Marshall, and Vocational. They play each team twice during the year and then the winner of the Northern Division plays the winner of the Southern Division for the City Title.

The 1958 track squad under the able direction of coaches F. Valley and B. Littlefield started out the year by placing seventh in the Metropolitan Indoor Meet. The meet was held at the University of Minnesota and schools from both Minneapolis and St. Paul competed.

The team was paced by W. Carlson who set a new pole vault record at 12 feet. Carlson had cleared 12 feet 6 inches in practice this year, but was unable to reach that height in the meet.

According to Coach Valley, next year's prospects look good, since most of the fifty boys on the squad are underclassmen.

Tennis Team Builds With Young Material

Looking forward to the coming season, the tennis team began practice at the Webber Park courts the week before spring vacation.

The team is young, but the sophomores on the squad show great potential. They are: G. Hatton and B. Ohland, who will be a doubles team, and G. Lane and P. Leverenz, who will be singles men. Tentatively, all four of the above plus M. Nelson, singles; D. Swenson and J. Buchkosky, doubles; will comprise the team.

The squad plays ten matches in a round robin tournament with the other city schools.

Golfers Foresee Promising Season

The golf team, coached by F. Cleve, is anticipating a successful year with four men back from last year's "better than average" team. Veteran linksters are: Captain H. Hontz, B. Lucas, D. Pehl, and G. Hammerlund. These boys will give the team the needed experience for a good season this year and are being counted on.

The team members began practicing for the coming season at Theodore Wirth Golf Course during spring vacation.

FACULTY

Principal A. B. Schultz and Assistant Principal R. DeLapp discuss future plans for Henry students.

They Promote Our Student Welfare

The years of your high school life have been filled with profitable activities. These activities will be of little value unless you profit by the experiences they afford and use them to your future betterment. Your greatest joys are the joys of accomplishment, and the incentive to continued success is found in them.

It is my hope that each of you will enjoy a life filled with success and happiness and the friendships made at Henry shall be treasured.

Principal A. B. Schultz

It would be well for each one of us to view the school year in retrospect to attempt an evaluation of our scholastic achievements and our total contribution to the life of the school.

The entire curricular and co-curricular program at Henry provides an opportunity for every student to develop his mind and body to the fullest capacity. Our hope is that the experiences gained will inspire each of us to greater achievements in the years to come.

As B. C. Forbes says, "It may be all right to be content with what you have; but never be content with what you are."

Assistant Principal R. DeLapp

Those Who Serve Us

It would be difficult to face the future without the understanding and advice given to us by our three counselors.

Ronald Barnes, Kenneth Knox, and Winnifred Hultcrantz may be found the whole year helping students do everything one can think of from scheduling programs to finding us jobs. Outstanding in their fields sums up Henry's counselors.

Mr. R. Barnes, Mr. C. Knox, Miss W. Hultcrantz

Miss M. Nelson, Miss F. Zeglen

A person who is concerned with each individual student is Miss Nelson our school nurse. During the year she is interested in such things as eye tests, ear tests and chest x-rays.

A friendly sympathetic attitude aids our visiting teacher Miss Zeglen. With her understanding she helps students with both school and home problems.

ACTIVITIES

The Royal Court: starting left: Joan Hedding, Judy Nowak, Janice Swadling, Queen Kathy Pawloski, Karen McCourtie, Sandra Slimak. Escorts starting left: Tom Montgomery, Bob Kline, Gene Lhotka, John Gronholm, Sylvan Rue. Child attendants were Warren Bauck, Linda Haasarude, Betty Lou Kline, Sandy Andreen.

Gala Dance, Game Make Homecoming Perfect

Queen Kathy Pawloski is shown above waving to her royal "subjects" as she reigns over the homecoming festivities. During the half-time activities the Queen and her attendants circled the inside of Porter Field atop convertibles.

Homecoming! Finally the day we all have been waiting for arrived. Starting off this gala annual event was the homecoming program which includes a series of colorful talent acts.

Then all eyes focused on our lovely Queen, Kathy Pawloski, and her attendants as the lights were dimmed, the Grand March played, and the Coronation Ceremony was underway.

When school dismissed, we all rushed over to Porter Field to watch our high-spirited football team "Convict the Cowboys" 20-6.

In the evening a dance was held. It made a perfect climax for a truly memorable homecoming. This dance is one which all Henry grads try their best to attend.

A Beautiful Queen and a Strong Team Added to the Excitement of Homecoming

Moments after the announcement, Queen Kathy and her attendants seem back to normal after the pleasant shock of being chosen to reign over the 1957 Homecoming. The game was culminated by a dance in the evening.

A happy Queen waves to the crowd during half-time as her gridiron warriors lead West 6-0 at the mid-mark. D. Palm and T. Schell drive Kathy around the track in one of the new cars borrowed for the ceremonies.

These are the qualifications for membership in the National Honor Society. New members are inducted every spring and fall in an exciting program in which a few of the members present sketches

of the qualifications needed for induction. During the year the members sold book covers and worked on various service projects such as trying to create an interest in lunchroom work.

Mr. W. Anderson gives Ralph Hedman another sheaf of book covers to sell for the National Honor Society.

Mr. Rock confers with the National Honor Society officers, Charlotte Yost, treasurer; Sylvan Rue, president; Patty Vanwick, secretary and John Lindquist, vice-president.

Student Council – The Student's Voice

The Student Council provides a means for the students to voice their opinions. It is a democratic way of representing our school through a cross-section of the student body. This year's delegates represented Patrick Henry at the All-City Conference and at the North-Henry Youth Conference. With the untiring help of Miss Kienholz, the council has provided fun for the students. Homecoming . . . Sadie Hawkins Day . . . the Tag Day movies . . . and many more. All of these we will remember as some of our best times at Henry.

Scribes for the School

A year has passed and what was just lots of copy and a pile of pictures is now the 1958 Orator. We've had many troubles meeting deadlines, dreaming up copy that's original, shortage of space, cutting and pasting pictures. At times the staff could be found working as late as 5:30 or 6:30 to meet the all-important deadlines.

We give thanks to Mr. Amundson, our advisor, for his much appreciated help and patience. His sense of humor and pleasant personality inspire the entire staff to do their best.

Advisor, Mr. Amundson, talks over matters of importance with Editor-in-Chief Lynne Olson.

Discussing a future Patriot are A. Seguin, C. Yost, K. Ulku, Mr. Amundson and C. Perry.

A sometimes thankless job was done by the twenty members of the Patriot staff. You could usually tell who these members were by the harassed look on their faces on deadline day. The Patriot came out about once every three weeks. The editor's biggest problem was getting all the copy handed in and corrected before it was to be sent into the press. Then back came the proofs and they had to correct all the new mistakes either overlooked by the editors or made by the printer. The reporter's biggest problem was waiting for the editors to finish their layouts so that they would know how many words their story was to be. News tips either came all at once or none at all. Sometimes, just before the copy was sent in some big story would show up and layouts had to be changed to fit them in. But, all in all, these newswriters gained fun and experience during the year.

Their Job is Reporting the News

A lot of hard work goes into putting out a paper, but under the able direction of the staff advisor, Mr. Amundson, the job is fun.

The purpose of the Y-Teens is "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians." Y-Teens is open to any senior high girl who wishes to join.

There is an all-school meeting the first Tuesday in every month where guests come to speak to the girls on everything from basketball to beauty.

The Recognition Banquet, Sock Hop, Winter Whirl, Hanging of the Greens and the Senior Farewell Tea are just a few of the varied activities participated in by Y-Teens.

This year, because of its growing membership, Y-Teens was divided into six chapters. The chapters met three times a month and worked on service projects such as packing Thanksgiving baskets for the less fortunate and sprucing up the trophy case.

Row 1: T. Mernick, K. Kramer, E. Westmark, K. Cochran. Row 2: J. Justeson, Y. Gustafson, K. Johnson, B. Swanson. Above are the 7th and 8th grade officers.

The over-all goal of Henry's F.H.A. is to help individuals improve personal, family and community living, now and in the future.

The Centennial Review was Henry's big event this year featuring fashions that dated back as far as 1860. The Review displayed clothes, furniture, hand-made woven goods, dishes, and silverware. The State Convention was attended by representatives and Harald Pedersen early in March at the Leamington Hotel. Harald, our exchange student from Norway, spoke on the customs of his country.

The main money raising project for the year was selling all occasion greeting cards and stationery. This money was a means of providing the Christmas baskets they sent to needy children.

Girls' Sports Offer Year Around Activity

Good sportsmanship is the basic understanding in the Girls' Athletic Association. The Henry High School sports program for girls begins early in the fall with the organized playing of badminton. This program is under the direction of Miss A. Amon.

An intramural bowling program got under way later in the season with Miss P. Ziebarth as faculty supervisor. About seventy girls took part in this phase of the program.

The G.A.A. program winds up with volleyball, basketball, and tennis. These sports are under the direction of Miss P. Ziebarth, Miss E. Johnston, and Miss A. Amon.

Practice makes perfect for Gordine Lindstrom and Lorene Oppen as they skillfully bat the birdie back and forth. This year the badminton team took second place in their district by winning three out of four of their games.

Participation on ten occasions in any one sport credits a girl with 100 points. This enables her to receive a small letter. Girls earning 500 points are entitled to a big letter. The award for 1,000 points is an all-city emblem. Only a few girls ever achieve this honor.

The above girls are shown scrimmaging before the intramural basketball play-offs. Evidently they paid close attention because they were able to win the 1958 girls' basketball championship.

BASKETBALL CHAMPIONSHIP TEAM: Row 1: C. Roach, B. Kirveley, B. Picha, M. Kirveley. Row 2: M. Ouellette, R. Patnode, E. Iverson, B. Bialon.

Competition Is Keen

VOLLEYBALL CAPTAINS: K. Roiland, E. Skoog, P. Sather, G. Gozola, K. Swanson, K. Hagen, M. Hammarstrom, S. Tessman.

The intramural high school sports at Henry include bowling, basketball, and volleyball. Those sports in which the competition is against other schools are tennis, badminton, and golf. The girls who wish to win a place on the Henry teams are ranked in order of their skill. Each girl can hold her place only until a challenger proves that she is superior in her playing.

TENNIS TEAM: Row 1: M. Rivers, Y. Hollenbach, C. Acktelik, P. Rice, J. Mosher, M. McCullough, B. Dykoski, S. Urbanski. Row 2: J. Hinds, L. Oppen, D. Hatcher, P. Sather, E. Skoog, G. Gozola, H. The Christmas concert was presented in a unique fashion this year from the balcony. The concert closed as the choir sang Will James' arrangement of "Sing and Rejoice." "God Eternal" was among the favorites presented at the Easter concert. The choir also participated in the North Side festival which honored the centennial year. The year was climaxed with the annual spring concert. It was such a big success that they were allowed to present it to the student body.

A portion of the alto section of the choir is shown diligently preparing for the Christmas program presented on December 12 and 18.

Mr. Warren Valine knows that only through constant preparation and hard work can the choir achieve a successful performance. Here the choir is shown preparing for a concert.

This year's band has been an active participant in many school and city festivities. Some of these included the Northside Parade, Kiddy Parade, Raspberry Festival, both Aquatennial parades (in which they received top honors for their class), and the coronation of the Junior Queen and Commodore.

These are in addition to the traditional colorful activities of the band, such as presenting half-time shows for football and basketball games, and playing for pep fests.

After their annual spring concert on the 24th of April the band helped start the Centennial celebrations with their part in the Northside Centennial Kickoff and the Minnesota Statehood Centennial Parade.

Mr. Lundell's geometry class is shown studying diligently beneath the figures they made as a project for the course.

Harald Pedersen, our foreign exchange student from Norway, is greeted by Paul Lysne who was our exchange student to Greece last summer.

The four people who did so much for the senior class this year are pictured going over some plans. They are: Tom Montgomery, Mr. Schultz, Miss Kienholz, and Charlotte Yost.

These Moments We Will Always Remember

Queen Kathy Pawloski was radiant on her big day — Homecoming — the day she was crowned Queen.

The senior class election was a big highlight of the year, in spite of the flu epidemic. Balloons, signs, tags and hats gaily adorned the halls and the senior class. The officers elected are pictured on page 3. They are: Sylvan Rue, treasurer; Tom Montgomery, president; Tom Schell, vice-president; Lyle Holin, mascot; Charlotte Yost, secretary; and Ed Reinert, sergeant-at-arms.

One can tell by the look on Tom Keegel's face that he is about to receive his first polio shot.

Successful concerts given by the choir were only accomplished by hard work and long hours of practice.

Remember the long walks to school through the snow during the winter months?

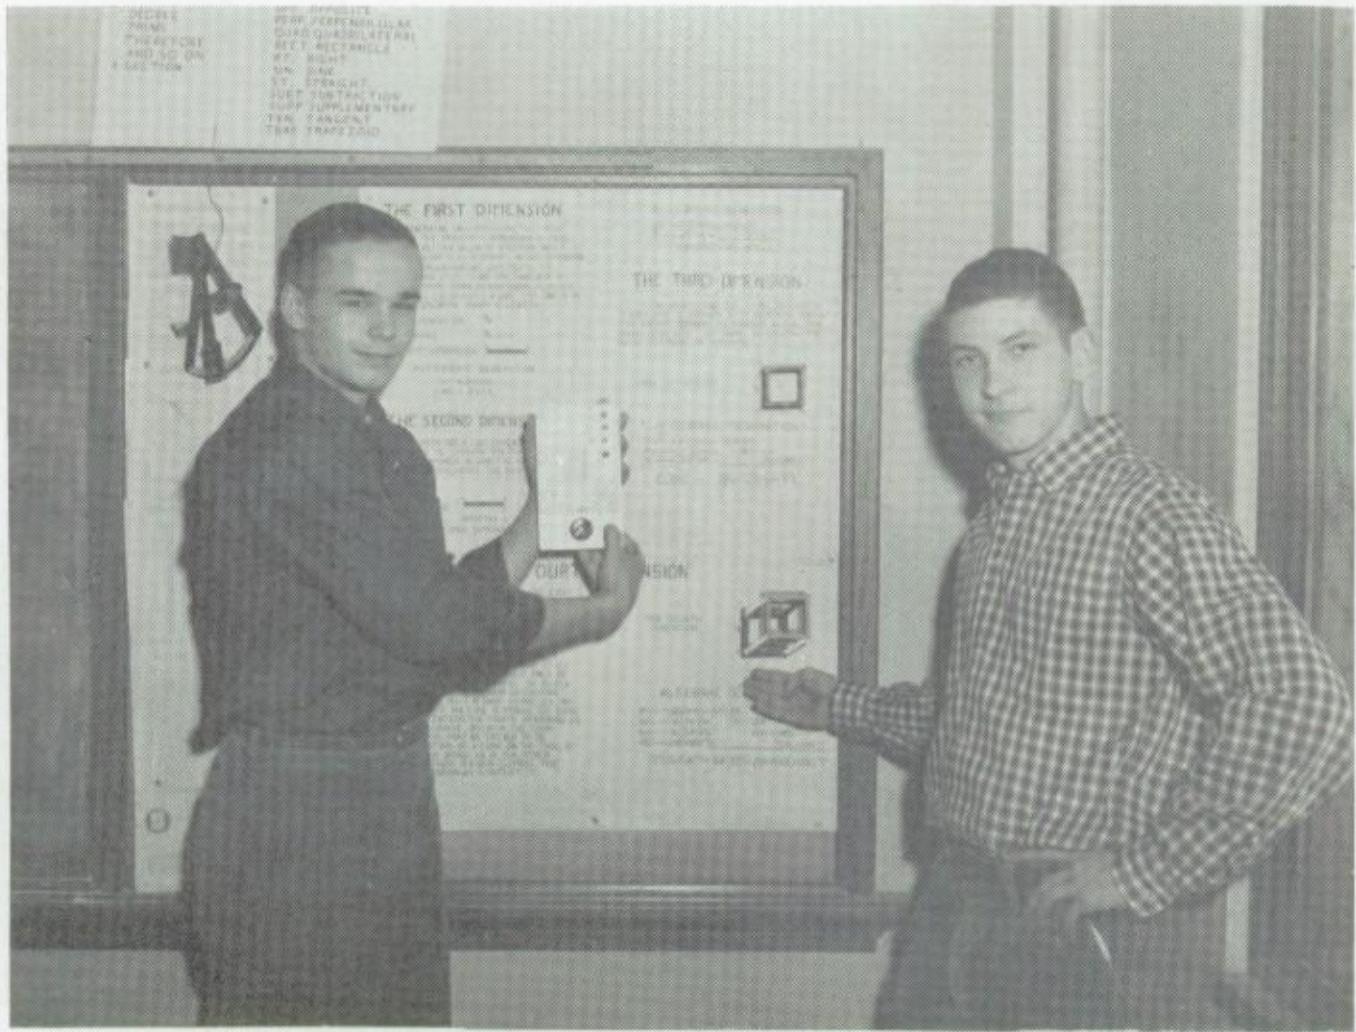

In all our sports activities throughout the year our cheerleaders helped lead the team to victory.

"What shall I write? Have you signed my picture yet?" These comments were made many times during the year. Busy signing pictures are Gary Temple, Barb Bowman, Gene Hart and Judy Nowak.

Magic Moments

Dan Lobash (left) and Bob Lund display their math projects on fourth dimension and other geometric figures completed as voluntary extra credit projects. The students have responded with much enthusiasm and have completed many projects. One project won a blue ribbon at the annual science fair.

Susie Behm is measured for her cap and gown under the watchful eye of Don Felknor and several senior girls.

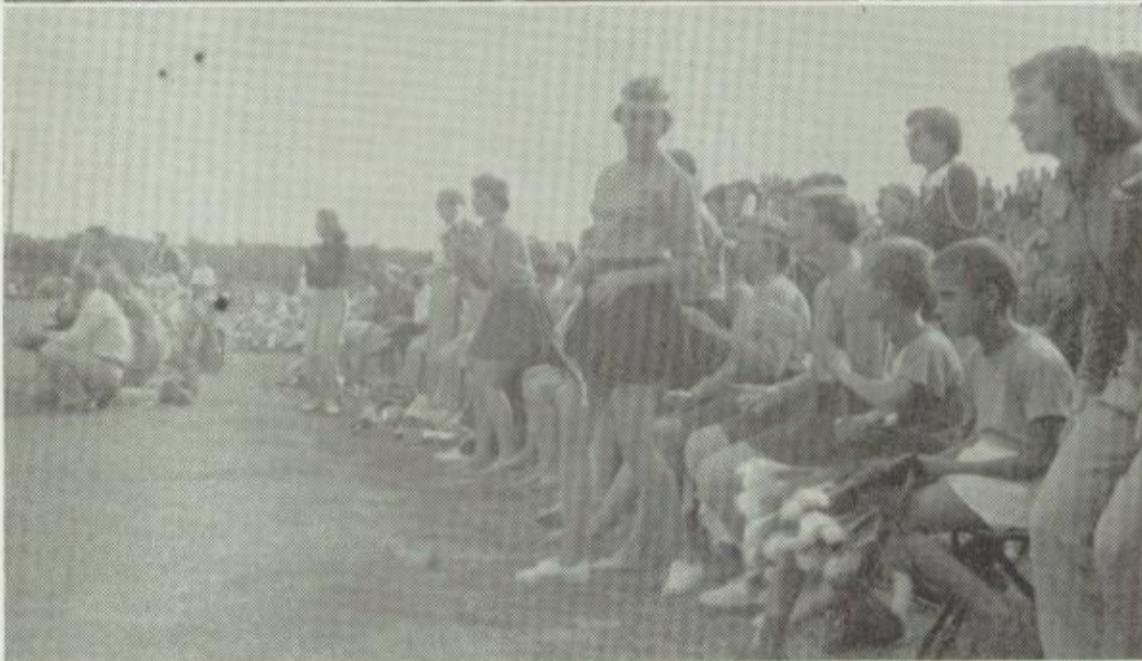

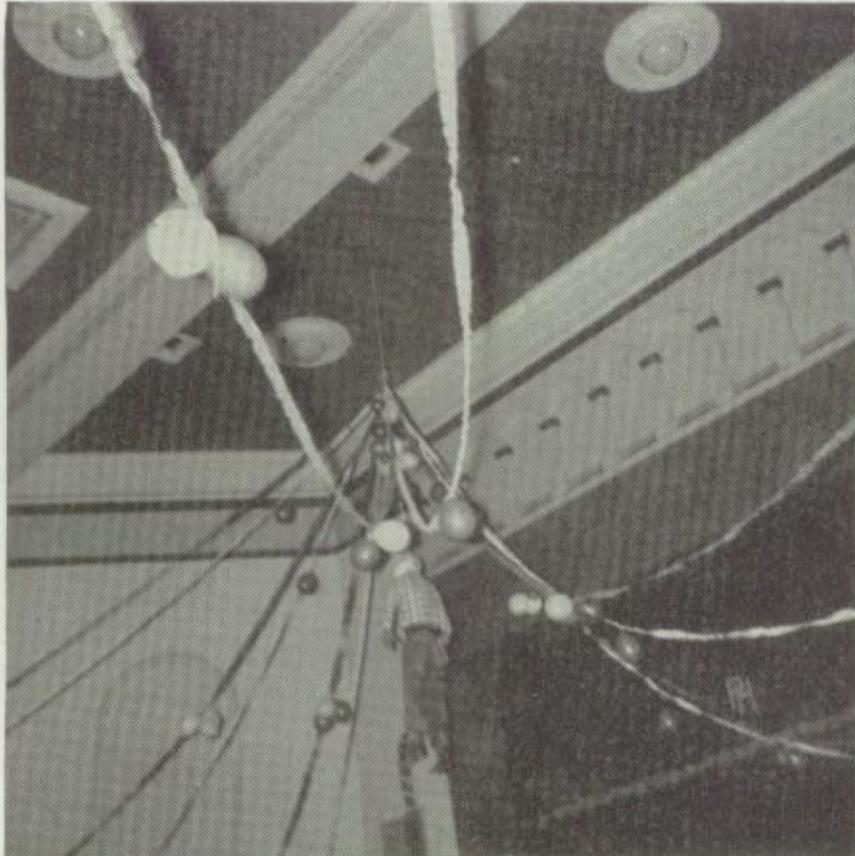

The ethics committee encourages students to dress in a suitable manner for school. Members are: V. Mid-dlemist, B. McLaughlin, K. Eggen, and J. Kramer.

Sadie Hawkins Day revealed a very handsome couple, Louise Brown and Bob Kline—or is it Bob Kline and Louise Brown?

Remember When . . . ?

A "convicted cowboy" adorned the ceiling of the auditorium on Homecoming.

John Roehl had a carefree time at the Sadie Hawkins Day Dance, as one can see by the picture above right.

A tense moment in the football game is revealed in the faces of the members of the Patrick Henry Band.

Do you recognize Patrick Henry and Porter Field from the air?

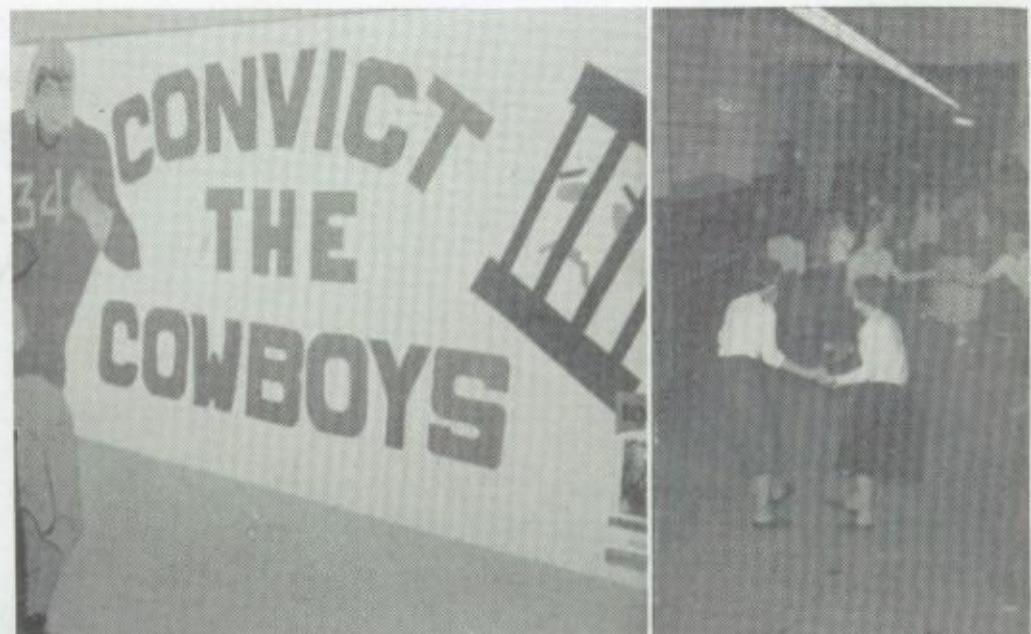

"Convict the Cowboys" was the slogan for the Homecoming festivities and convict them we did—20 to 6.

Dancing to the latest hit records is a privilege enjoyed by Henry students during their lunch hour.

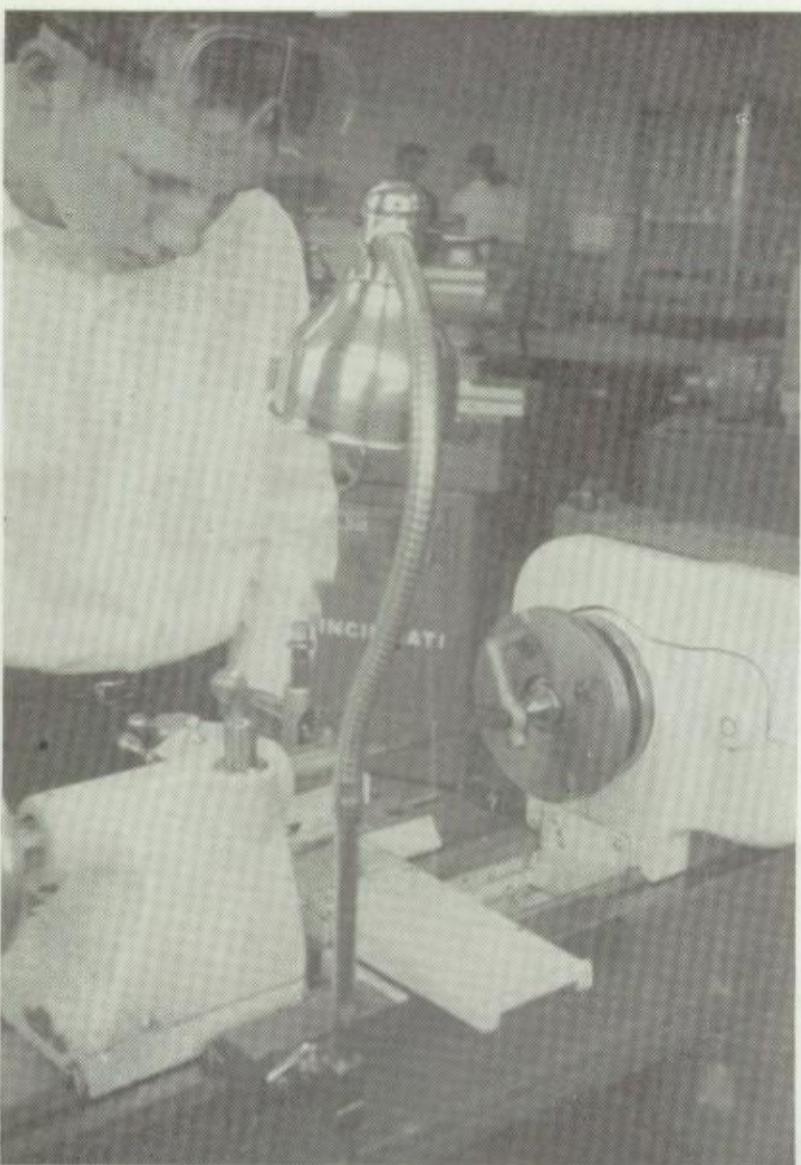

The band is shown performing a favorite routine during half-time.

Lovely Karen McCourtie is viewed by her classmates as she walks down the aisle after the Homecoming program.

Dave Jones and Sue Tessman await their turn to get "hitched up" by Marryin' Sam John Kramer at the Sadie Hawkins Day Dance.

The Roving Camera

Metal class can be really engrossing. Mitchell Hillman thinks the new metal lathes in Mr. Parks' room are just about the finest pieces of equipment in any school.

We're with you, Mitch!

Pancakes are a treat anytime but when you have home economics first period and Miss Bekkerus on hand to show you all the tricks—well! hmmmmmm!

We're mighty proud of our up to the minute efficient reading laboratory. Students clockwise around the table, starting in the foreground are Walter Johnson, Robert Guzek, and Russell Mozey.

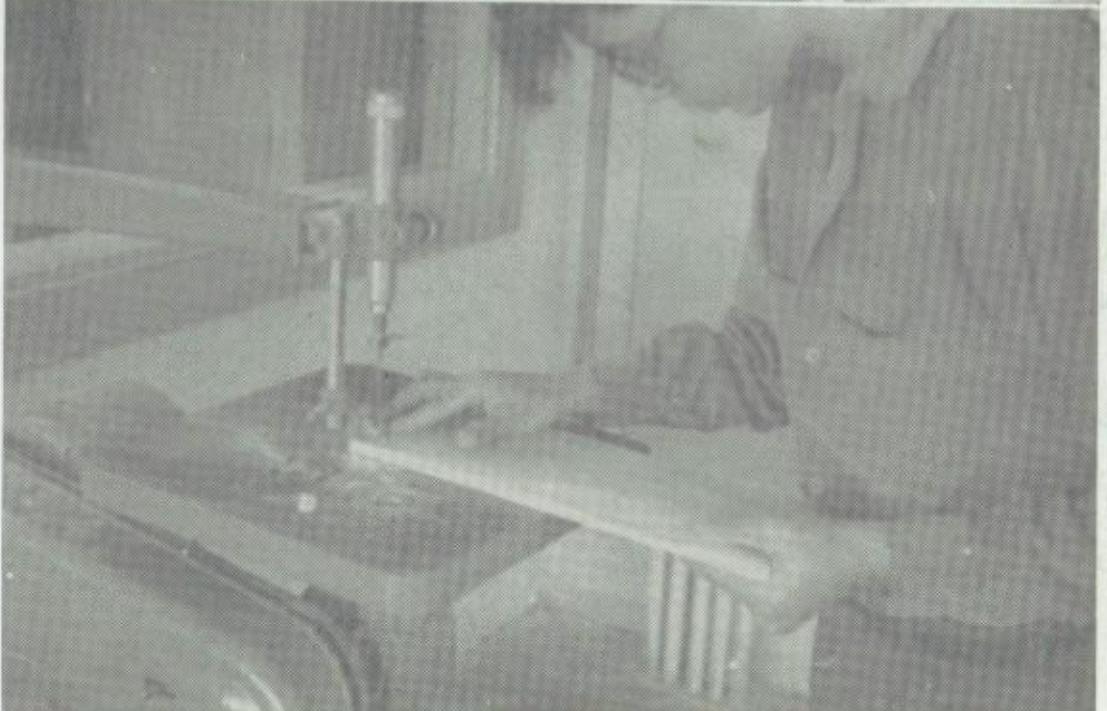

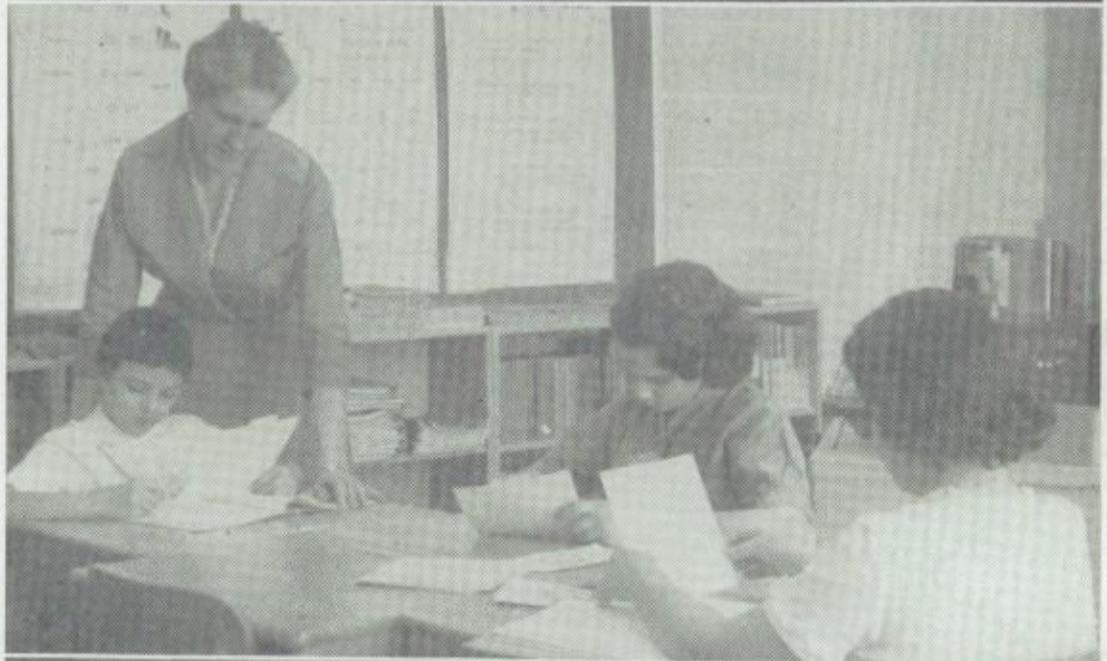

At Patrick Henry

The boys' gym class really appreciate the coming of spring, as it means a chance to get outside in Minnesota's wonderful weather. Looks like a slide into second for these boys playing softball.

Is there a Rembrandt in the house? From the amount of deep concentration in Miss M. Erickson's art class, we'll guess that it takes hard work. We have half the battle won. From left to right are Pat Muncy, Nicky Lambsie, Sandra DeWitt, Robert Dehne, and Cheryl Martin.

Under the expert direction of Miss V. Sanford these junior high school girls brush up on good reading habits. Starting from the left is Sandra Barport, Miss Sanford, Betty Dunfee, and Pamela Tessman.

Chuck Stanley is shown using the jig saw in Mr. Wobig's woodworking class. Just a word of caution—watch those fingers, Chuck!

If you ever have thin material on the track team, just call on our photographer John Cross to stretch them out. Pictured from the left we have those double trouble threats: Bob Wilson, Bob Wilson, John Kallestad, John Kallestad, Bob Kline and Bob Kline.

Operating on the principle that "what goes up must come down" has vaulted Wally Carlson into the headlines several times with a record jump of twelve feet and unofficial jumps of twelve feet six inches.

Tom Montgomery picked a crucial time to forget his lines at the rehearsal of the senior class play. The cast members don't seem particularly concerned whether he finds his place or not.

The Orator staff has worked hard to produce a book that we hope you will enjoy for many years. We have tried to select pictures for this book that you'll always remember with a fondness for your high school days. To save the precious memories of your classmates we have included the following eight pages for their autographs.
